

Meeting Agenda

2019 TRB Annual Meeting of the TRB Transportation Planning Applications Committee, ADB50

January 14, 2019, 3:45 PM – 5:30 PM; Marriott Marquis, Independence D (M4)

Committee Scope: This committee is concerned with the application of new or improved transportation planning methods and techniques and their practical application at the regional, corridor, and site level of analysis. The Committee promotes networking and the exchange of ideas among researchers, practitioners, and experts in other relevant fields of study and promotes research that has tangible benefit for real-world applications.
